

GRANT AMATEUR RADIO CLUB WEEKLY NET PREAMBLE

A few minutes before net starting time:

This is (*call sign*), please stand by for the Grant Amateur Radio Club net.

Start of Net:

This is (*call sign*), my name is (*name*) and I will be this evening's net control for the Grant Amateur Radio Club.

This net is held every Sunday evening at 9:00pm local time and we invite all licensed amateurs to check in. This is a directed net, and we ask that you please conduct all communications through net control. Anyone listening may ask questions or leave comments concerning the Grant Amateur Radio Club or this net on our web site. If communications on this repeater is not possible, the NET will be held on 146.550 MHz Simplex.

Before we begin, are there any stations with emergency or priority traffic.

(Pause – Mic Release)

Are there any comments or special announcements from any club officer?

(Acknowledge any comments or announcements made)

When checking in please give your station callsign, again phonetically, name, location, and indicate if you have any comments, questions, or announcements for the net.

(Pause – Mic Release)

Are there any mobile stations wishing to check in, mobile stations only please call now?

(Acknowledge stations as they check in)

I will now call the regular GARC net roster.

(Call the roster and acknowledge stations as they check in)

Are there any other stations wishing to check in. You don't have to be a member to check in. All licensed hams are welcome to check in. Please call now.

(Acknowledge any additional stations as the call in)

Are there any last-minute announcements or comments from any station?

(When there are no further check-ins or announcements)

This is a final call for check-ins to the Grant Amateur Radio Club Net.

(If no further check ins)

This concludes the Grant Amateur Radio Net, thank you for your participation in the net and please join us again next Sunday at 9pm.

This net is now closed, and we return the frequency to normal operations. For the Grant Amateur Radio Club this is (*callsign*) ... 73 all.

On the net, you as net control may make comments or ask questions as you see fit. Please keep a dated list of all the check ins by name and call sign. Recognize all the stations by announcing them and thanking them for checking in. After the net has closed verify the total number of check-ins with the net control officer.
